

Rail Safety Worker Medical Forms:

Below are the current internet addresses for the medical forms. You need to print a copy of each, and fill out the required boxes which you as the Rail Safety Worker are required to fill out.

If unsure, speak to the Operations Manager or Rail Safety Manager.

Note: *Ensure you know your medical is due.* If unsure, a copy of the medical due date register is in the front of the qualifications folder (yellow in colour) in the railway museum's office foyer. Or contact the Operations Manager for further details.
