## Volunteer Participation

Volunteers are encouraged to become involved in key activities including staffing the shop, restoring locomotives and rollingstock, gardening, cataloguing of archives, display development, or by joining general working bees.

Specialised skills are always sought for plumbing, electrical, or carpentry work, train conducting, guarding or driving trains, administration and tour guides.

Volunteers participating in any activity are required to submit a National Police Certificate, also referred to as a 'police check' to the Chair or Vice Chair. They are also required to submit a Working With Children Check. These certificates will be treated as 'confidential' and will be returned to the volunteer. Both can be organised through the Museum, at no cost.
